I, Michelle Yang, declare as follows:

- 1. I am an attorney at the law firm of Morrison & Foerster LLP. I make this declaration based upon matters within my own personal knowledge and if called as a witness, I could and would competently testify to the matters set forth herein. I make this declaration in support of Defendants Uber Technologies, Inc., and Ottomotto LLC's ("Uber") Motion for Reconsideration of Order Denying-In-Part Administrative Motion to File Under Seal (Dkt. No. 891).
- 2. The attached Exhibit 1 to this Declaration is a true and correct copy of Ex. 3 to Waymo's Discovery Letter Brief (Dkt. 1168-4/Dkt. 1096-7), with the narrow portions that are the subject of Uber's request marked in red boxes on Bates pages UBER00101501-UBER00101504.
- 3. The attached Exhibit 2 to this Declaration is a true and correct copy of Ex. 1 to Waymo's Discovery Letter Brief (Dkt. 1101-1/Dkt. 1096-5), with the narrow portions that are the subject of Uber's request marked in red boxes on Bates pages UBER00109872-UBER00109873 and UBER00109875.
- 4. Exhibit 3 to Waymo's Discovery Letter Brief (Dkt. 1059-10) is the identical document to Ex. 1 to Waymo's Discovery Letter Brief (Dkt. 1101-1/Dkt. 1096-5).
- 5. The narrowed portions marked in red boxes on UBER00101501-UBER00101504 in Ex. 3 to Waymo's Discovery Letter Brief contain highly confidential business information from minutes to a Board of Directors meeting that show the internal discussions and resolutions that form the genesis of the internal corporate governance and methodologies for conducting Board responsibilities corresponding to information for which the Court granted sealing in Ex. 5 to Waymo's Discovery Letter Brief (Dkt. 1168-6). Uber is a private company, and its Board of Directors keeps its internal discussions highly confidential. Disclosure of these discussions from a confidential Board meeting, particularly in light of extensive media coverage, would harm Uber's competitive standing. Uber's request is narrowed only to the highly confidential business information that would reveal the information in Dkt. 1168-6 for which the Court has already granted sealing.
